**GRAB YOUR SWIMSUIT AND HEAD TO FRONTIER CITY!  
OKLAHOMA'S ONLY THEME PARK ADDS NEW WATER AREA**

**OKLAHOMA CITY, Oklahoma (January 15, 2012)** – Get ready to cool down Oklahoma! Beat the heat at Frontier City's all new Wild West Water Works! New in 2012, Frontier City is announcing the largest water activity structure in Oklahoma. This interactive play structure is the coolest place to hang out at Oklahoma's only theme park.

This exciting new water feature is five stories tall (52 feet), with 198 ways to get wet, eight colorful slides, a 1,000 gallon tipping bucket, spacious lounging deck, changing facilities, showers and more, creating the ultimate water oasis for guests of all ages.

Families will enjoy playing and splashing in the newest section of the park, Wild West Water Works. When guests need a little break from the action or want to catch some rays, they will be able to relax on the ample new lounge deck surrounding the attraction.

"Wild West Water Works will be the biggest splash Frontier City has ever seen" says Stephen Ball, general manager at Frontier City. "We are extremely excited to offer this new type of experience to our guests. Between all of the rides, concerts, shows and other activities that Frontier City already has to offer, the addition of this new water area at Frontier City positions us as the best entertainment experience and value in Oklahoma."

Wild West Water Works is included with park admission and will be open May 12th through September 9<sup>th</sup>. Bring your swimsuit and enjoy the best entertainment experience in Oklahoma! Double Park Season Passes are on sale at [www.FrontierCity.com](http://www.FrontierCity.com) for \$65.99 thru April 15, 2012 and offers unlimited admission to both Frontier City and White Water Bay all season long.
